"HOC SIGNO FORTUNA."

BALTIMORE, THURSDAY, DEC. 31, 1818.

Our friends in the Country are reminded that on Tuesday next the 5th January, the price of Maryland State Lottery Tickets will be advanced to One Hundred Dollars—the rate in the mean time will remain at Ninety-five dollars.

LATEST FROM ENGLAND.

The ship Triton, capt. Holcomb, arrived at Boston on Wednesday last, in 48 days from Liverpool. By this vessel we have received from our correspondent London papers to the 1st November, inclusive—and are indebted to Mr. Topliff for Liverpool papers to the 2d—nearly a fortnight later than former advices. We have given as many extracts as our time and limits would permit.

The Triton brings despatches to the secretary of state of the United States, containing the treaty of commerce concluded by Mr. Gallatin with the British commissioners.

The London Courier of Oct. 23, contains the commercial treaty between this country and Sweden, negotiated by the honorable Jonathan Russell.

The British army is to be reduced to 33,000 men. Orders have been issued to the recruiting parties in London, to suspend recruiting men until further orders.

The king of England has completed the 58th year of his reign, being two years longer than any monarch who ever before reigned in England. On the demise of the queen, it is said to be the intention of the ministry to propose to parliament

greatly diminished establishment for the king at Windsor. The care of his majesty to be confided to the duke of York, who is to have an additional allowance for his services.

Prices at Liverpool, Oct. 27.—Wheat, English, 11s 6d a 12s 9d—do American 11 a 11s 6d—rape seed 48 a 49s—flour, U. S. sweet 43 a 47s—do sour 37 a 39s—price of cotton as per last advices and dull—ashes improving.

Liverpool, Oct. 31.—Ashes, Boston, pot, 53 a 54—pearl 58 a 59—cotton, Georgia upland 1s 6d a 1s 9d—Sea Island 1s 11d a 2s 6d—tobacco, Kentucky leaf, 6 1-4 a 8 1-2d per lb.—rice Carolina, 50 a 51—turpentine, rough 14s 9d a 17s—Tar, American, 16 a 19s.

DOVER, Oct. 30.

"This morning, between nine and ten o'clock a most magnificent spectacle presented itself in the entrance into the harbour, of forty-three vessels, loaded with the first Division of the army of occupation of France, the Heroes of Waterloo, &c. They consisted of 3,076 infantry and artillery, and 600 women and children, besides upwards of 150 horses; the men, some of whom had not touched foot upon British land for 12 years, were in the highest spirits on landing; the bands of their regiments playing the national airs."

Steam Batteries.—The Navy Commissioners, says the New York Advocate, have agreed with Messrs. Robert M. Queen & Co. proprietors of the Columbian Foundry and Steam Engine Manufactory, of that city, for the Engine and Machinery for a new Steam Frigate, which government have authorised to be built under the law

for the gradual increase of the navy.—The model of the vessel they have had prepared, and which has been forwarded to the commissioners, is entirely different from the Fulton battery, and will possess all the qualities of ordinary ships of war.

COMMERCIAL.

CHARLESTON, December 1, 1818.

The present crop of Cottons in this state and Georgia, will considerably exceed that of the last year; the quantity of Uplands being much greater; Sea Islands about the same. Rice will fall short, probably, one third. The principal cause of the failure of the crops of Rice and Sea Island Cotton, is attributed to the uncommon drought, experienced during the past summer.
